

TEAM CVE NEWS

MULTIPLE DIVISIONS, 1 GREAT TEAM

CVE Mobile Response Office

Great job to all our TEAM members that were part of CVE's response in the LA fire cleanup!

Unfortunately natural disasters are part of this business, but the way that we responded quickly and took on the unique tasks deserves a special recognition. Thank you for everyone in this effort from both our abatement teams and demo teams for their hard work and long hours!

HILLSIDE

The steep terrain provided unique challenges.

Skilled Operators

It took precision to make sure we provided services.

ON IT!

Our crew as on scene and working hard.

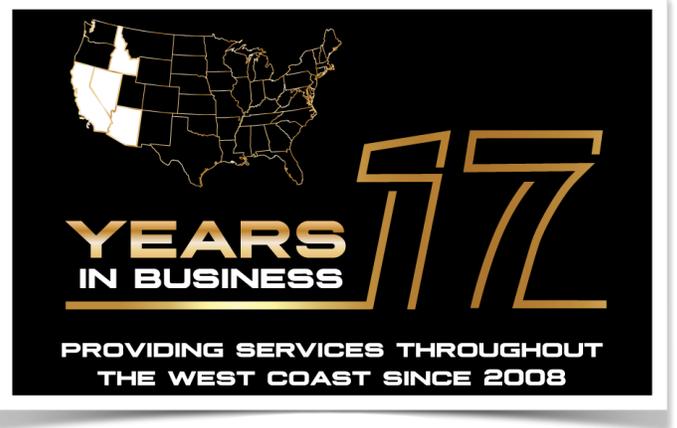

We have reached the half way point of the year. This is a special time that I would like to take to thank each and every one of you. I am especially proud of the culture we have developed together; a culture rooted in accountability, excellence, and support for one another. It's not just what we do, but how do it - that makes us stand out. Let's continue to carry this momentum forward and close out strong!

Braydon Stout , COO, CVE Companies

GENERATIONS DAY

CVE Turns Seventeen

March 2008 is the date that CVE Contracting Group was licensed in the state of California as a contractor. What started out in a home office in Fresno, California, has now grown to an organization that has multiple locations and over 300 team members!

CVE now has an asbestos license in 4 states, and performed projects all over the nation. Our great TEAM is the reason we have been able to grow and provide services throughout the west coast.

Way to go TEAM|CVE!

CHRIS'S CORNER

We're excited to announce the rollout of CVE's long anticipated *Employee ID Cards*! These new badges are designed to make access to important information faster and easier than ever.

Each card features your name, employee ID number, and a QR code on the front that links directly to your FieldFlo certifications. On the back, you'll find a second QR code that connects you to the *CVE Employee Portal*, your central hub for company programs and essential Health & Safety Documents.

Keep an eye out as cards are being distributed over the coming weeks. Please make sure to bring these cards with you to all future jobs so you can verify certifications when requested!

Hannah's Huddle

Team-
Please be sure you are taking your meal break as assigned by your supervisor.
We encourage and support breaks as this can help improve one's overall well-being and increase productivity and efficiency.

LUNCH TIME!

DRIVER SAFETY AWARD WINNERS

June

Guillermo Sanchez, Jair Zazueta & Tito Montano - Southern Division

Carlos Barajas, Cesar DeJesus, Marcos Esquivel & Miguel Martinez - Demo Division

Nic Cardoza - Central Division

July

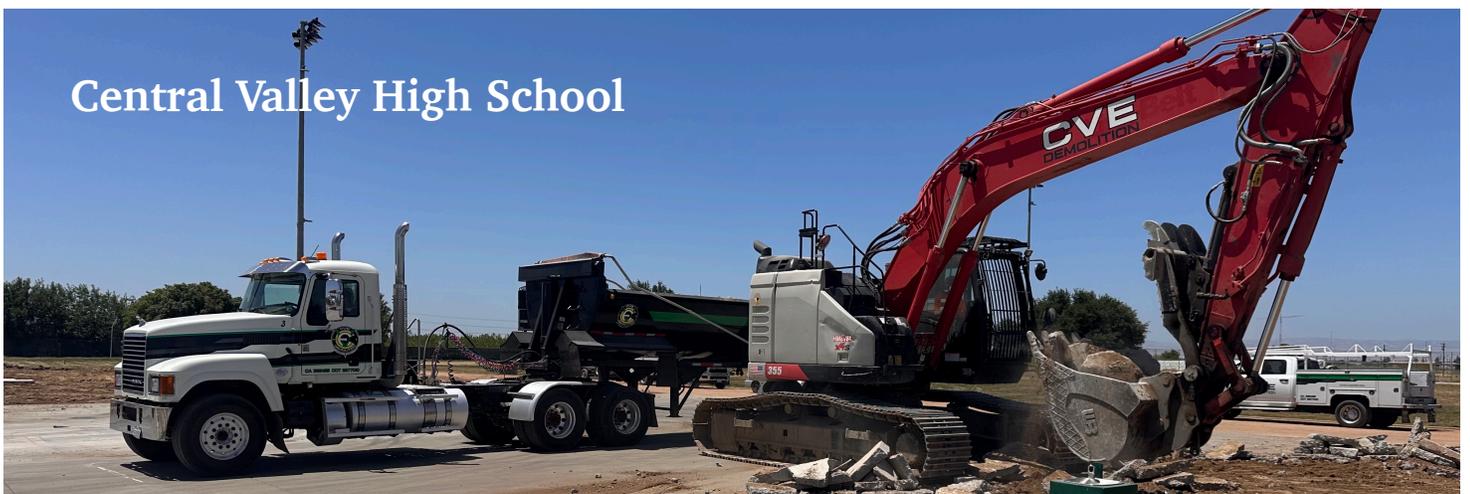

Collin Brown & David Ryan - Northern Division

Nic Cardoza, Joe Vang & Ty Riveras - Central Division

Carlos Barajas, Cesar DeJesus, Edggar Garcia & Miguel Martinez - Demo Division

Adrian Sanchez & Chris Gonzalez - Southern Division

Central Valley High School

Bri's Block

Hey Team CVE!
Quarter 3 is in full swing, so here is a friendly reminder: don't forget about those job numbers! These are required on all receipts and vendor transactions!

Hi all,

NEW CFO!

My name is Brad Webre and I am excited to join the CVE team! I am eager to help the company grow and fulfill its tremendous potential! I joined CVE because of the great leadership and reputation in the industry.

I believe that my background in corporate finance and business process consulting is a great fit to help accelerate CVE's growth. I am data-driven and committed to the philosophy that finance adds value through thoughtful data analysis and cross-functional collaboration.

I reside in San Diego with frequent trips to Fresno to meet with the Corporate team. I have 2 kids, 1 dog and when I am not crunching the numbers, I enjoy surfing and jiu jitsu. My WhyOS is Why = Trust, What = Mastery, How = Simplify

I look forward to meeting you and growing the Company together!
